**Subject:** RE: Malibu High/Middle School: request for extension

Doug,

We are in receipt of your request. Please provide more information to justify a nearly one month extension. EPA is available to meet soon and more than once, so we do not expect a meeting with us to cause a delay. You mention obtaining community input and ensuring that the plan is comprehensive. Please elaborate more on these or any other factors to better justify the extension that you are proposing.

Thank you.

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
